# How to use this book

**Grammar Cue** is an interesting, fun, and easy grammar book series designed for young English learners. This book series tries to show the learners essential grammar points, and provide various encouraging activities. With this grammar book series, the learners will definitely have the chance to improve and develop their English grammar skills and ability.

Each unit is composed of 4 pages.

**1st** The first page of each unit introduces the target grammar point with a dialog and detailed notes.

**2nd** The second page of each unit provides a variety of exercises for learners to use and practice the grammar point they are learning.

**3rd** The third page of each unit also provides an opportunity to understand all aspects of the grammar point.

**4th** The fourth page of each unit allows learners to integrate the target grammar point with a new method “Grammar Chant.”

**Unit 01**

The earth is round. / The earth is round.

Unit 01 9

## Grammar Practice

Exercises show the usage of grammar in the phrases or sentences to build learners' skills and confidence in English.

## Grammar Chant

This section is used to wrap up the grammar point through a grammar chant. Grammar chants use simple but effective repetition to help learners speak English automatically.

## Review

This section contains a variety of follow-up activities that reinforces and builds upon grammar through a dynamic and fun board game. Also, the review section helps students build their confidence along with their grammar skills. Students work in groups or by themselves.

Each chapter provides a 2-page review for students to practice the grammar points.
