Where is the Ape

I race to the lake.
Where is the ape?

This is his cape.

His cape waves at the lake.

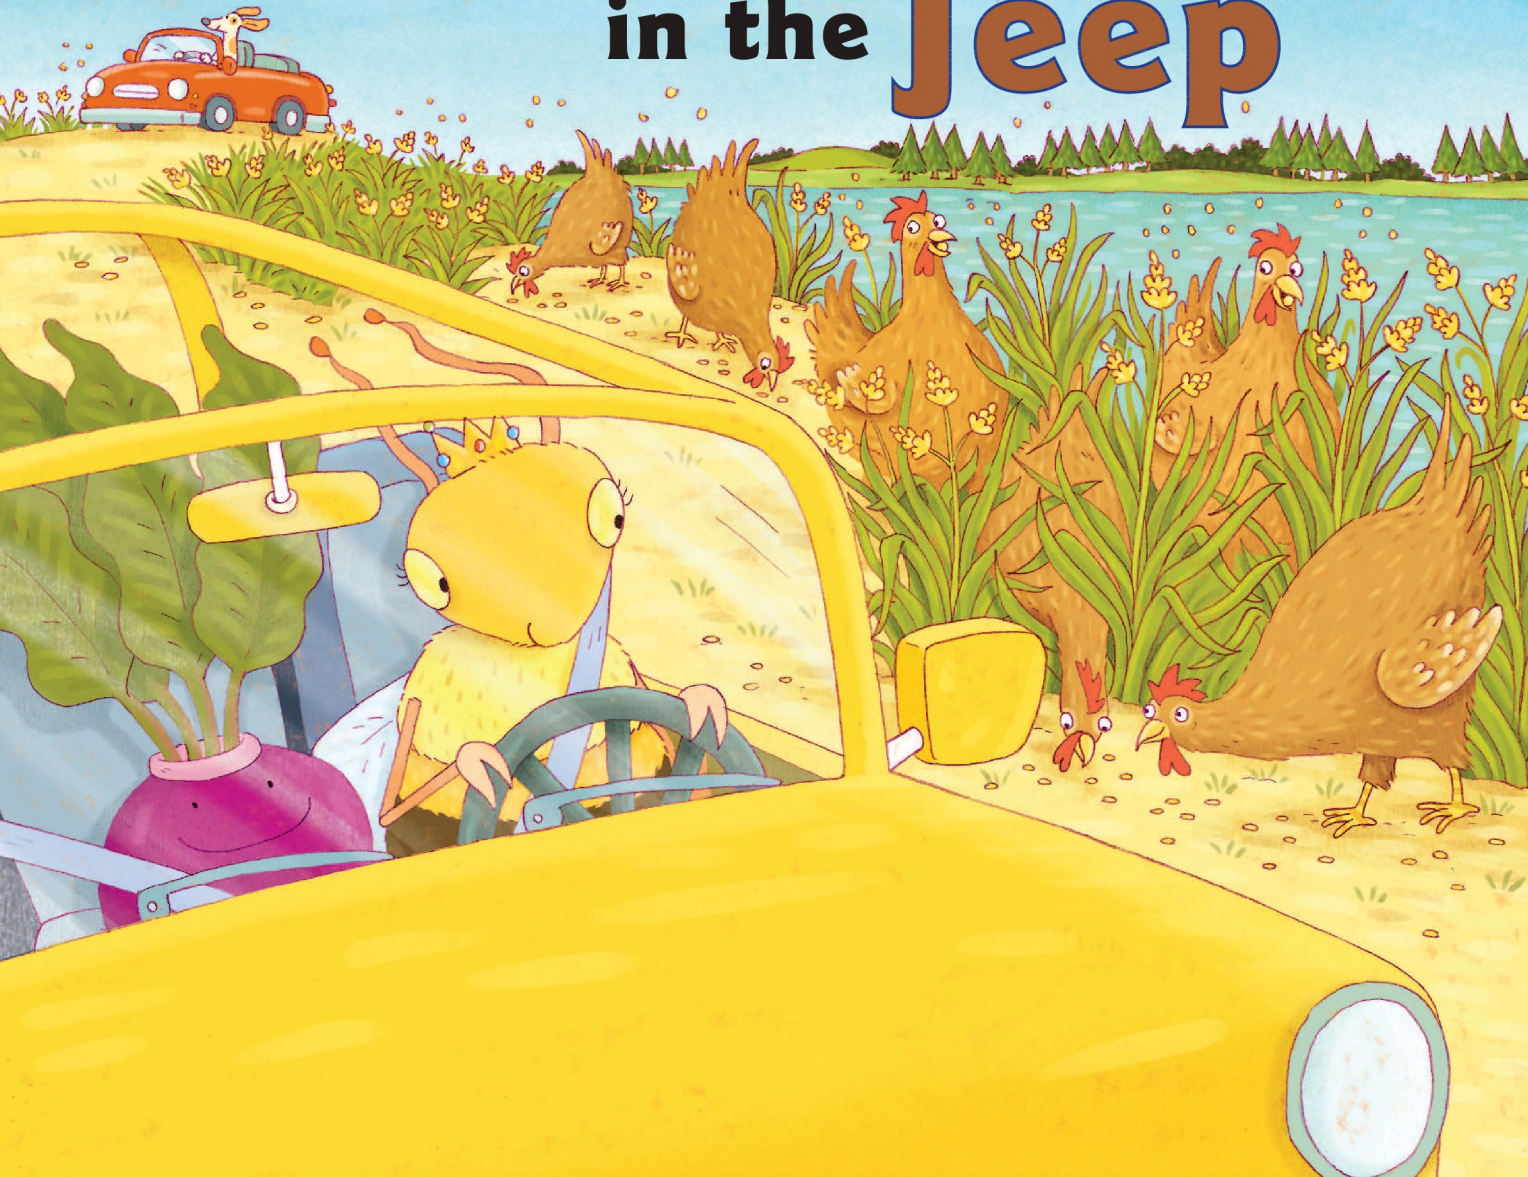

This is his lace.

His lace is in the lake.

The ape is in the cave.
He bakes a cake.
We race for the cake.

The **Bee** in the **Jeep**

The bee in the jeep sees hens.
The hens eat seeds in the reeds.

The bee in the jeep sees peels.

“Oh no!”

The bee in the jeep beeps.

The ape saves the jeep.
The beet is in the reeds.
The hens race for the beet.

The ape gives the bee the beet.
The bee peeps at the ape.
