English Bus Song

Track
02

English Bus! English Bus!
It's time for an adventure
On the English Bus!
Hop on board and join us
There's room for all of us!

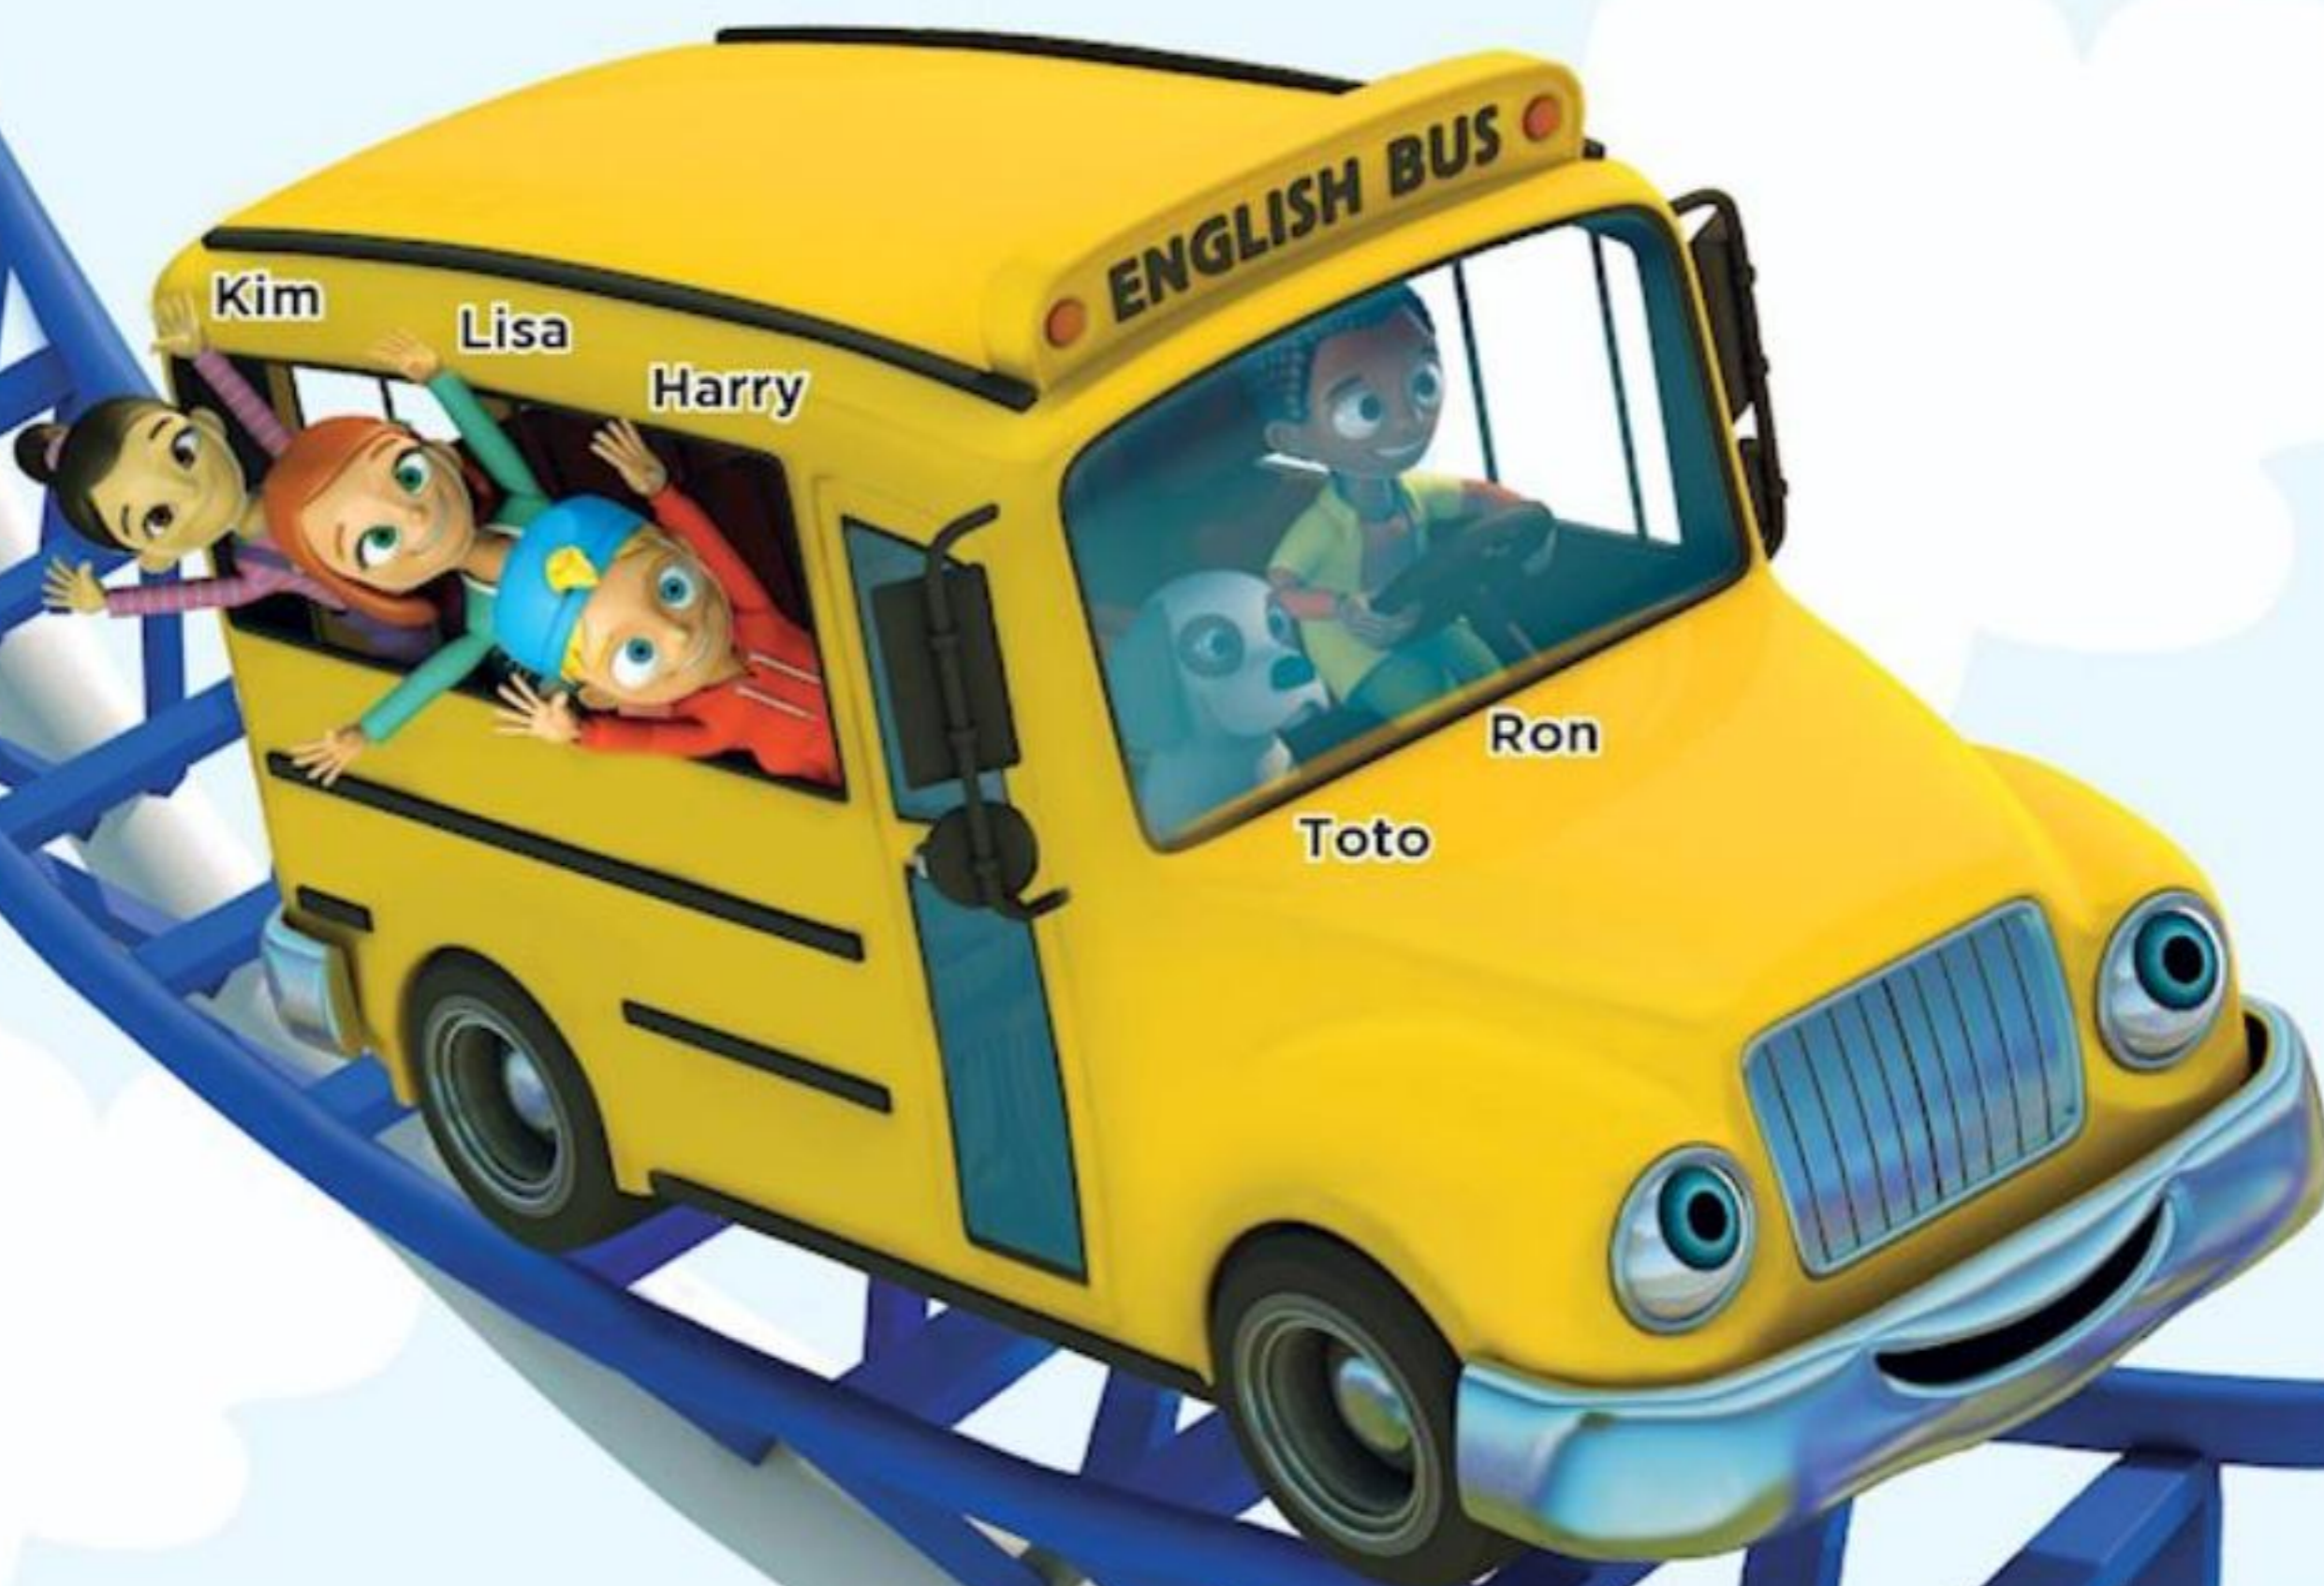

Riding on a roller coaster
Swooshing up and down
Just like learning English
Exciting and so much fun!

Creeping through the jungle
Surprises everywhere
Just like learning English
Be brave! Don't be scared!

Marching across the desert
Hot sand under our feet
Though we're tired let's press on
Our goal is there to reach!

Zoom in a spaceship up to space
Bouncing up and down
So many things to discover
So many things to learn!

English Bus! English Bus!
It's time for an adventure
On the English Bus!
Hop on board and join us
There's room for all of us!
