Thanks and Acknowledgments

Authors' thanks

Many thanks to everyone at Cambridge University Press & Assessment for their dedication and hard work, and in particular to: Liane Grainger and Lynn Townsend for supervising the whole project and guiding us calmly through the storms.

Eve Conway for her astute observations and great editorial judgment. Thanks for all the hard work and great result.

We would also like to thank all our students and colleagues, past, present, and future, at Star English academy in Murcia, especially Jim Kelly for his friendship and support throughout the years.

Dedications

To Teresa and Giuseppe Vincenti, for their wholehearted support and encouragement, with much love and thanks. – CN

To my great friends from the Levante: to Javi, Maria José, and Laura, and to Jim Kelly. It's always a pleasure to spend time with good friends. – MT

The authors and publishers acknowledge the following sources of copyright material and are grateful for the permissions granted. While every effort has been made, it has not always been possible to identify the sources of all the material used or to trace all copyright holders. If any omissions are brought to our notice, we will be happy to include the appropriate acknowledgments on reprinting and in the next update to the digital edition, as applicable.
