Jenny's Diary

Rose Quartz has got a 1____circus . It's a circus with acrobats, musicians,

2_____ and a strongman; his name's Ivan. The circus is called

'Diversicus'. Our family are going on 3_____ with them. Mum's the new

musical director and Dad's the new 4_____. Today's our first day. Jim's

my 5____ and we're twins. Now we've got two new friends. Our friends'

6____ are Pablo and Su-Lin and they're nine years old. Jim and Su-Lin

both 7____ science, Pablo loves drawing and making

8____ books and I love 9___.

Practice time

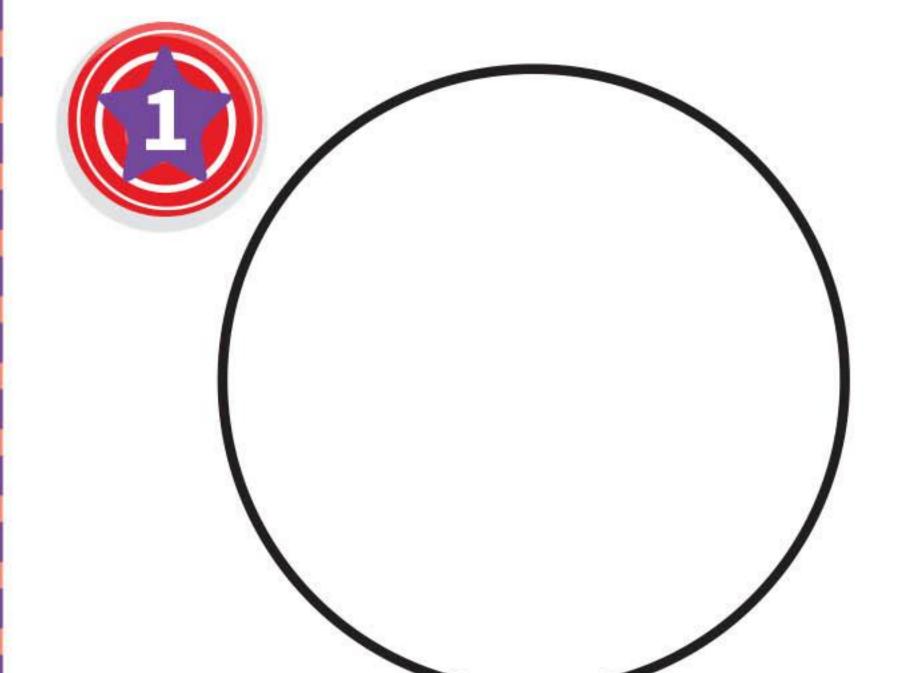

My unit goals

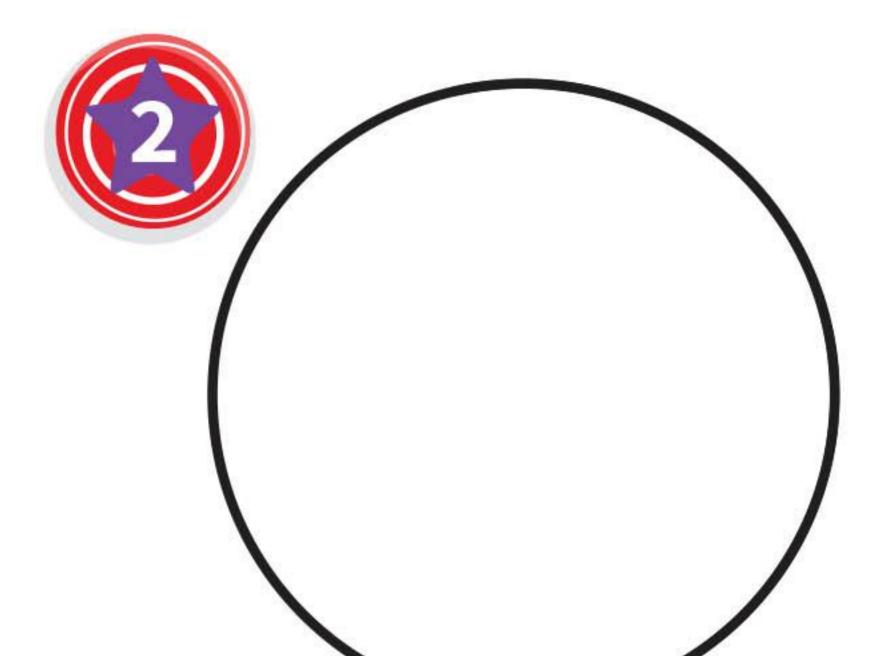

- I want to
- To do this, I will.
- I will say and write

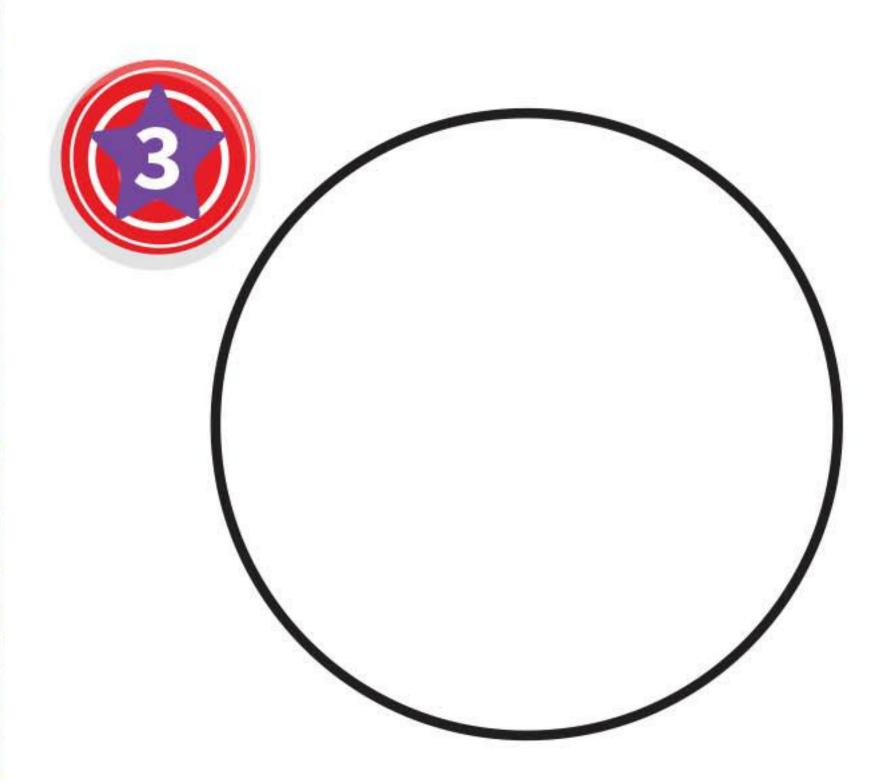

new words.

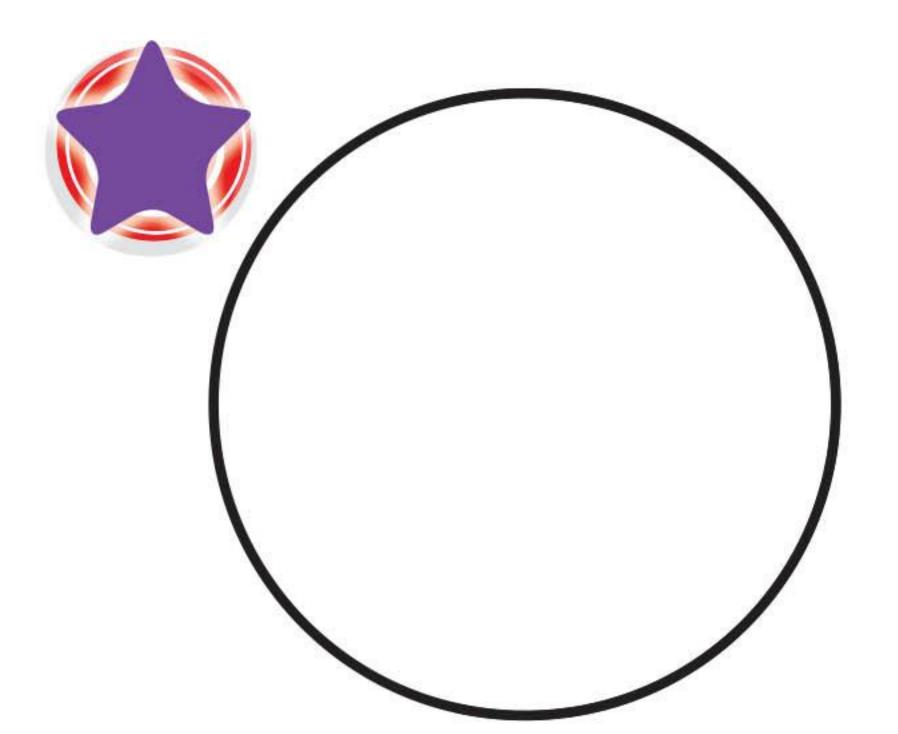

My missi@n diary

How was it? Draw a face.

My favourite stage:

I can tell the time.

I can remember how to ask and answer questions.

I can talk about what I could/couldn't do when I was young.

I can write about what people are doing.

I completed Level 3 Unit 1. Go to page 120 and add to your word stack!

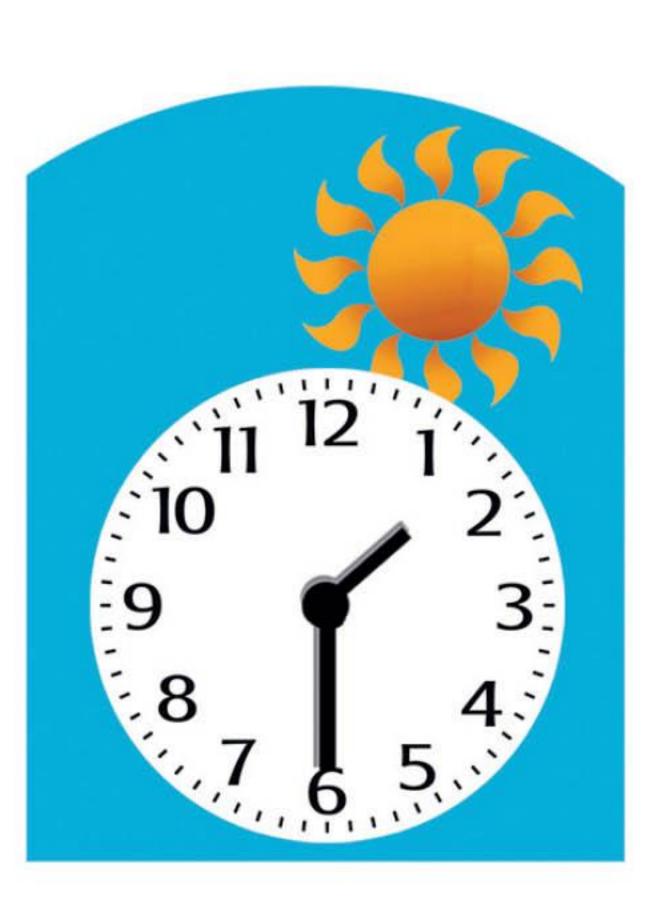

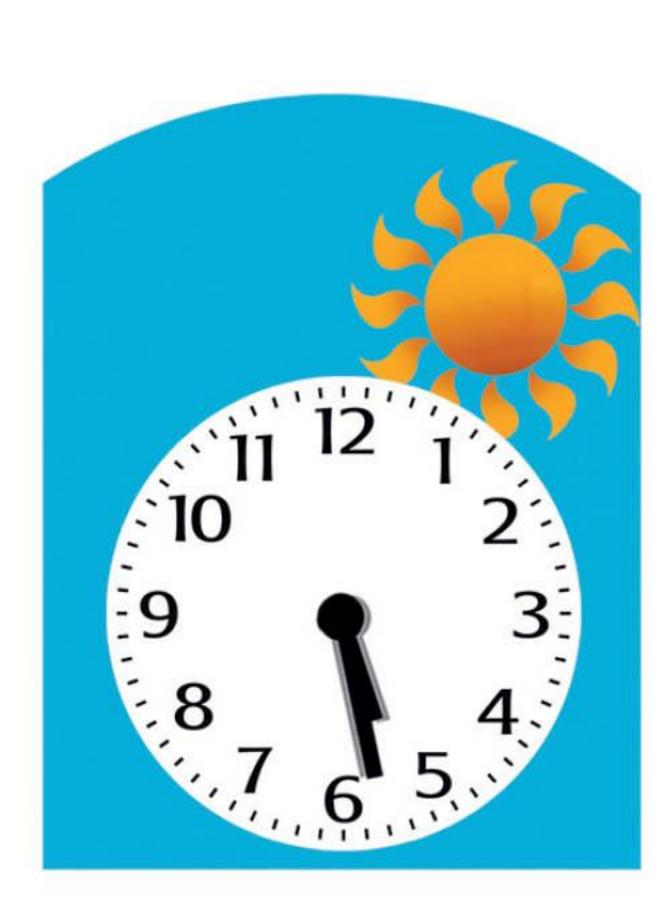

Look at the clocks and write the time.

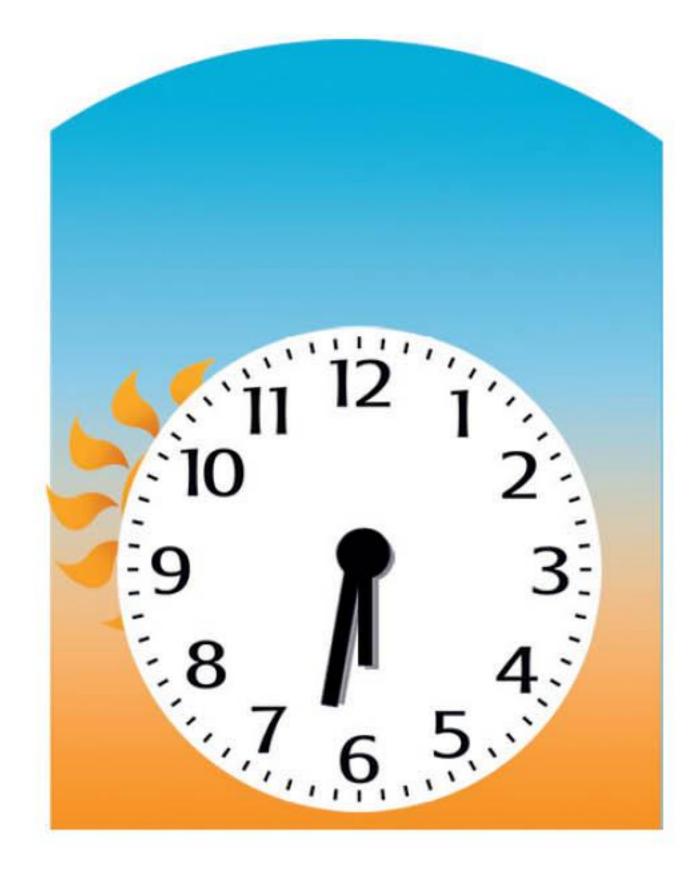

It's eleven o'clock at night.

1	Read	and	answer.

- 1 What time does school start? _____ It starts at nine o'clock.
- 2 Who do they meet on the way to school? _____
- 3 Do the children want to be late? _____
- 4 What day is it today? ____
- 5 Which country are they in? _____
- 6 Is it Jim's lunch on the table? _____
- 7 Why does Ivan have to eat a lot? _____

Read. Write the names.

Lily Pablo Rose Ivan Su-Lin Miguel Jenny Marc

Jim's Diary

At breakfast we were in the circus canteen. ¹ Su-Lin told	
us that lessons start at nine o'clock. 2looked at	
the clock on the wall and she saw that it was almost nine. We ran	
outside because we didn't want to be late for school. We met	A
outside and she said, 'It's Saturday!' There	
were no lessons, but we decided to go to the classroom. We	
talked to 4 there. He's the teacher and he's	
's dad. Then we went to the circus tent and	
watched the acrobats. 6 is a brilliant acrobat	
and she's Pablo's mum. 7 is an acrobat, too, and	
he's Pablo's uncle. At lunchtime we saw 8 in the	9
canteen. His lunch was on the table. It was very big!	900
culticell. This failer was off the table. It was very big:	
DE TO SE A	

Review the story. Read, circle and complete.

I think the story is *great/good/OK/not very good*.

My favourite character is ______

Read and match.

- 1 Who helps Peter with his homework? —
- 2 What colour is Zoe's hair?
- 3 Which sport does Jack like best?
- 4 Where are her new jeans?
- 5 Why do the children have breakfast at seven o'clock?
- 6 When do Sally and Jane have dinner?
- 7 How many sisters has Paul got?

- a It's brown.
- b They're in the cupboard.
- c At half past six in the evening.
- d He's only got one.
- e He likes tennis.
- f Because they go to school at half past seven.
- g His older brother does.

What's the secret word?

Listen and draw lines.

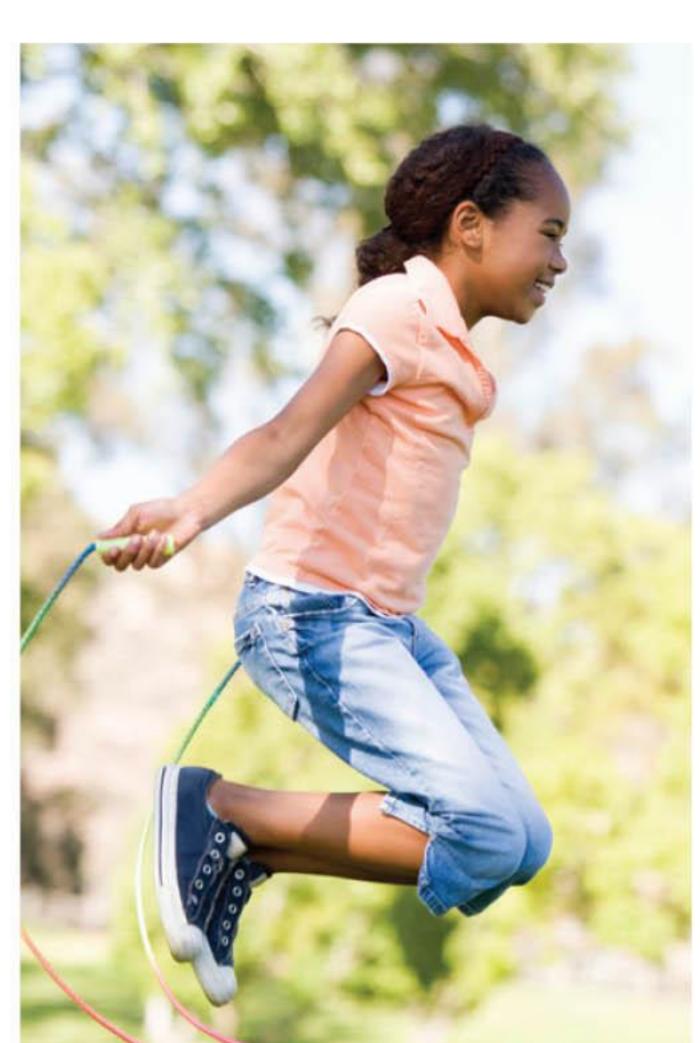

(Circle) the words to make the sentences true for you.

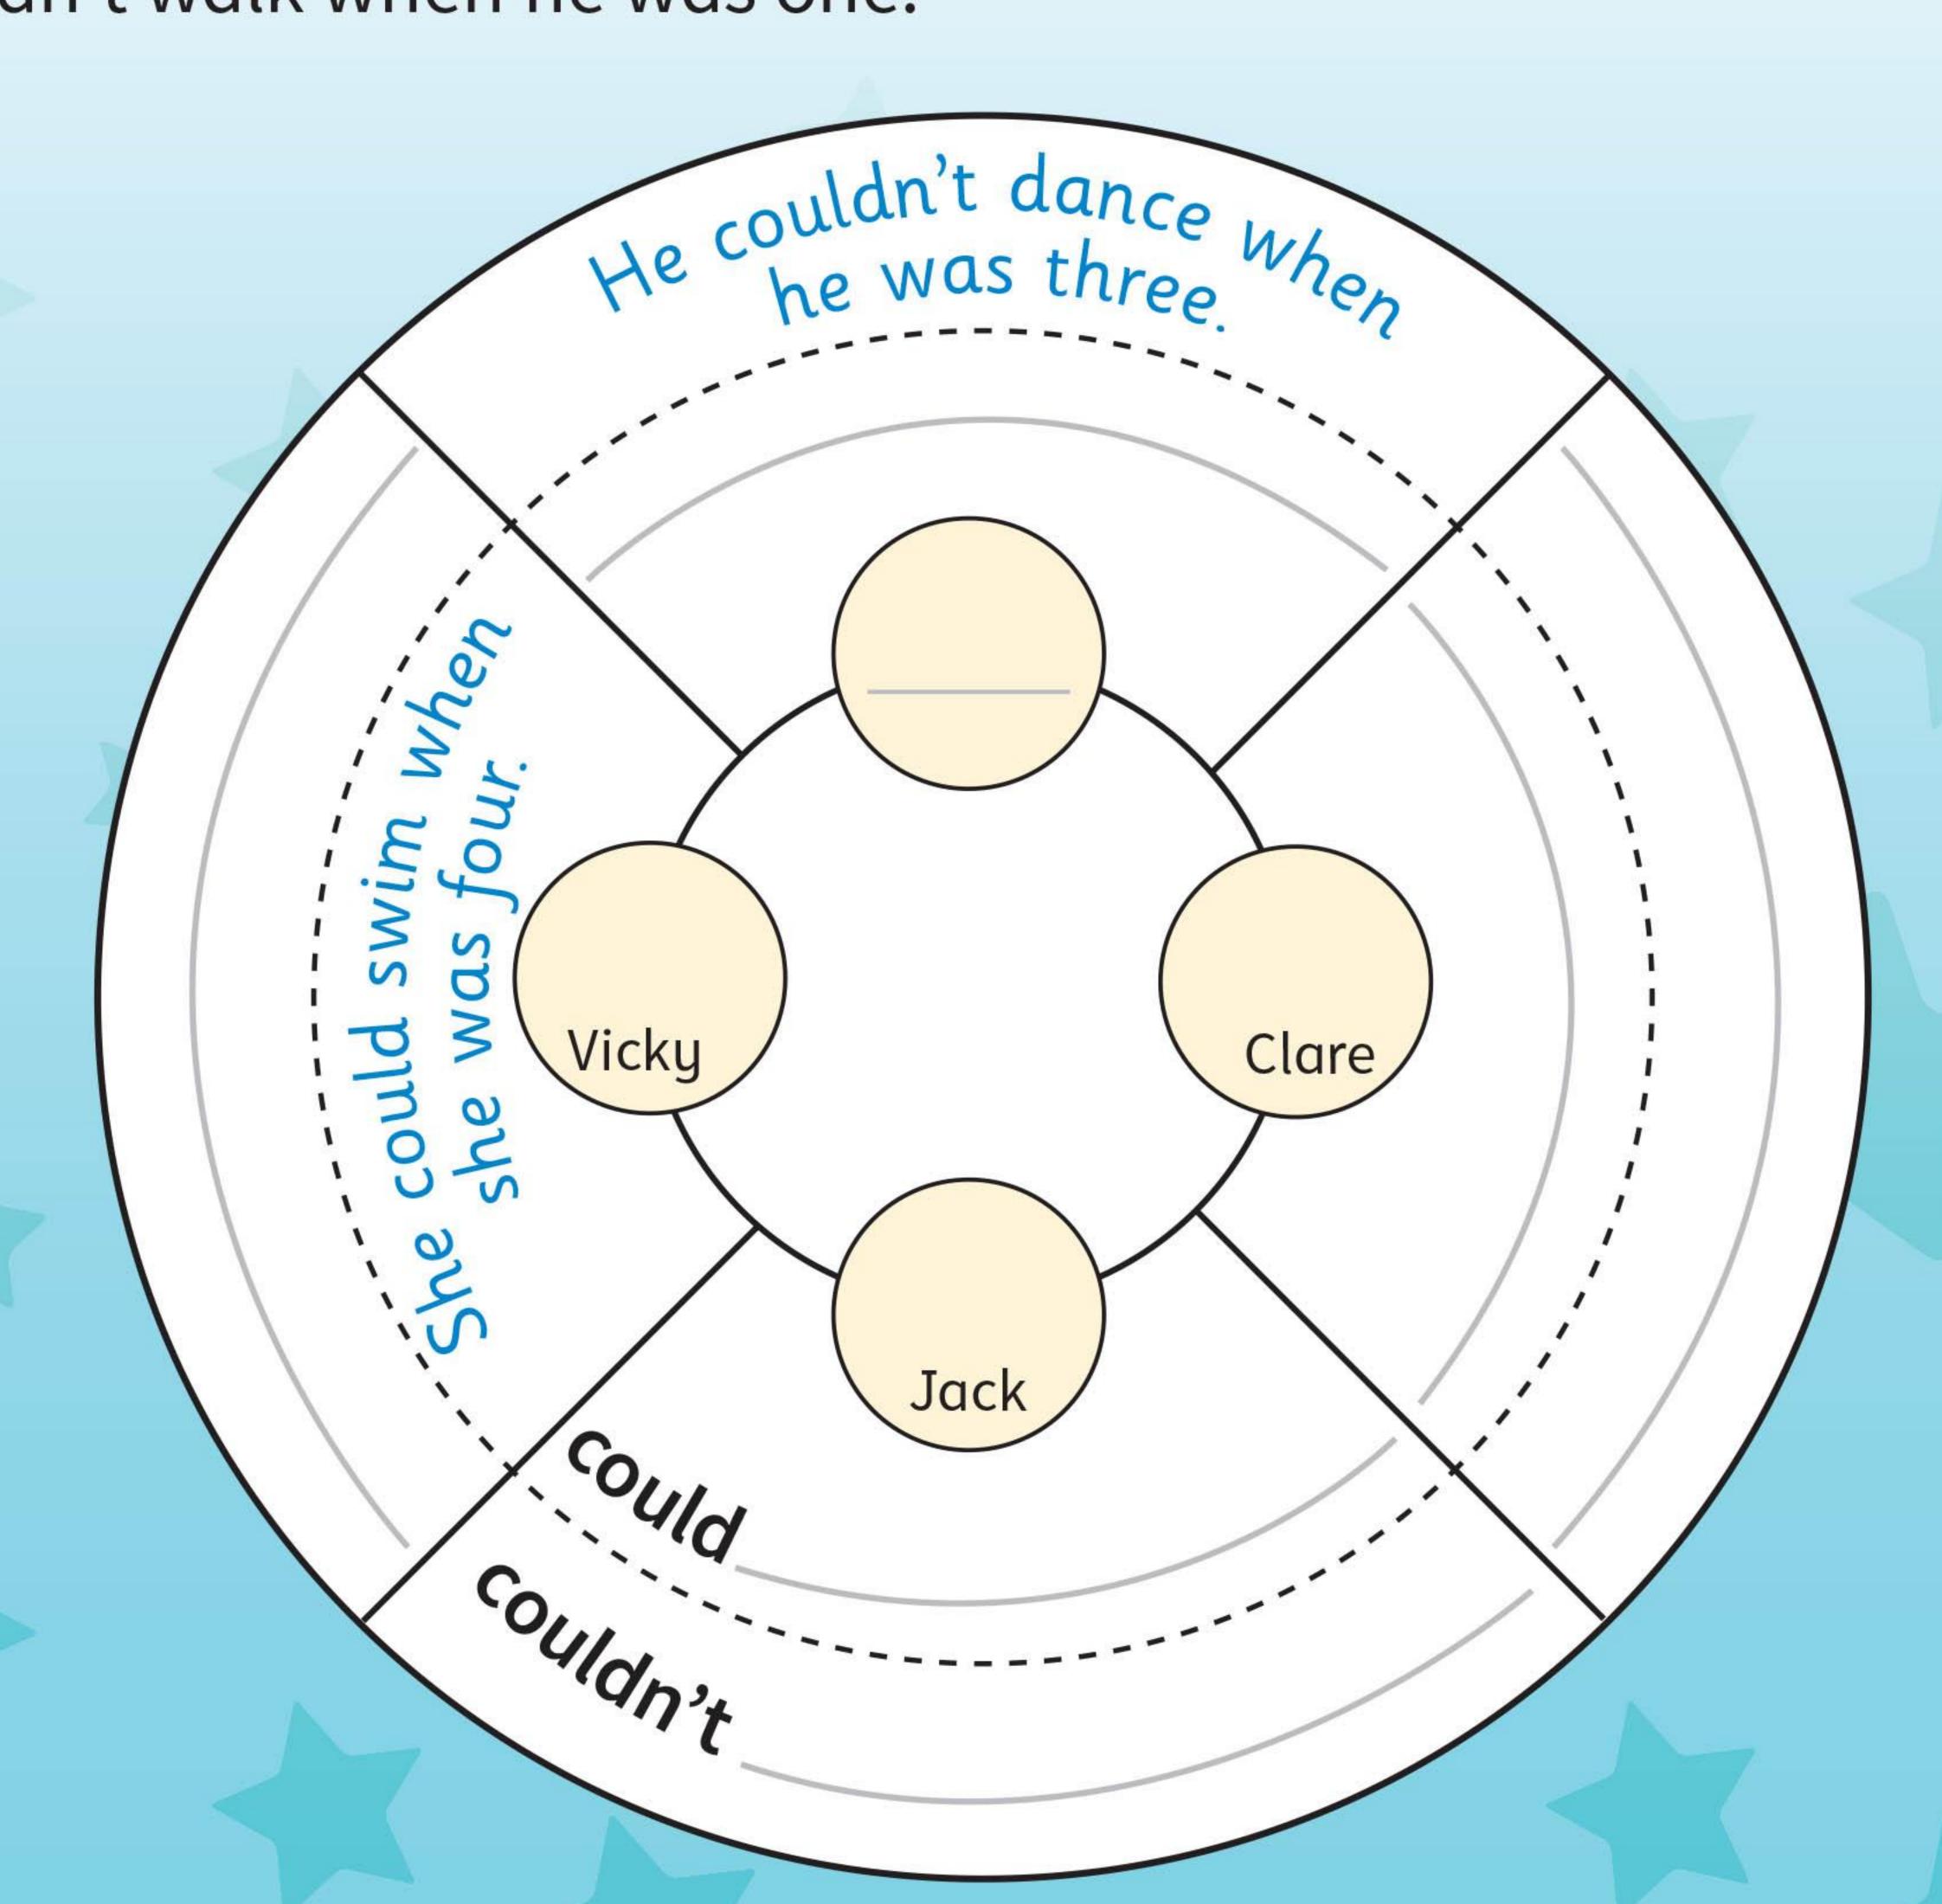

- 1 I could / couldn't ride a bike when I was six.
- 2 I could / couldn't swim when I was three.
- 3 I could / couldn't read when I was four.
- 4 I could / couldn't catch a ball when I was five.
- 5 I could / couldn't skip when I was four.
- 6 I could / couldn't dance when I was three.
- 7 I could / couldn't walk when I was one.

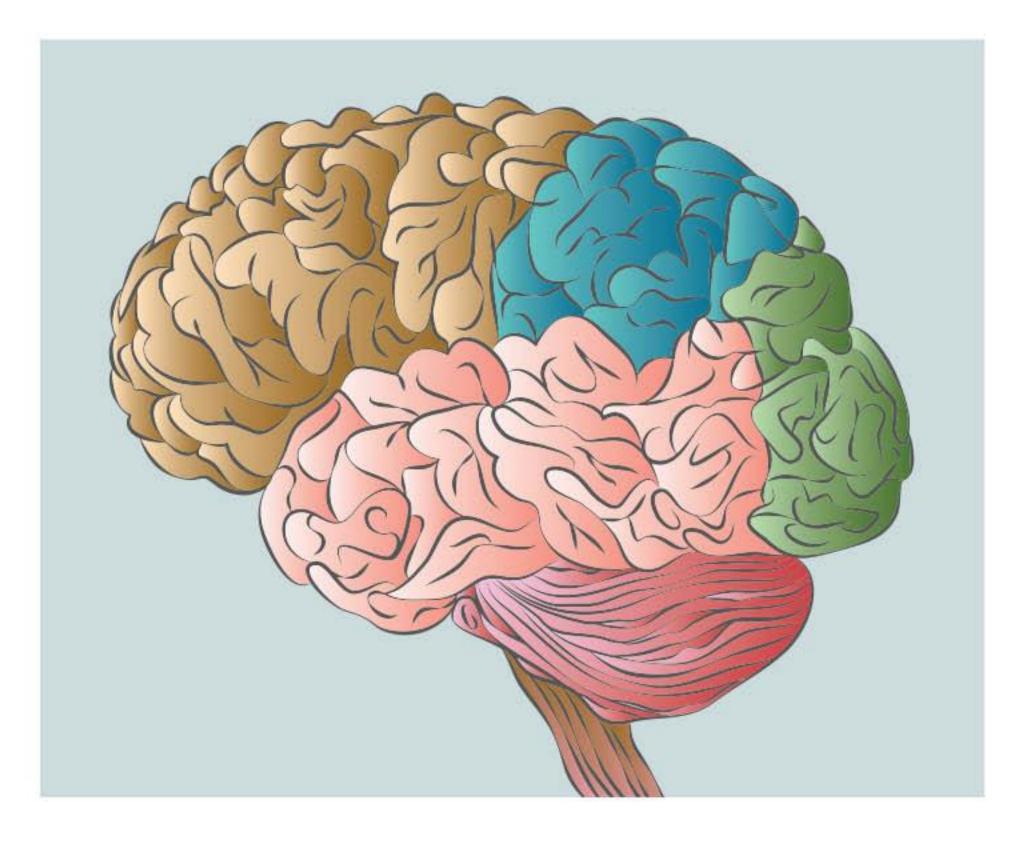

Read the information and complete the chart.

Four children are sitting at a table. There are two boys and two girls. Peter is sitting between Vicky and Clare. Peter couldn't dance when he was three. Jack is sitting opposite a boy. Jack could play the piano when he was six. The boy sitting opposite Jack could read when he was five. Vicky could swim when she was four, but she couldn't skip when she was two. Clare couldn't ride a bike when she was five. She could hop when she was six. Jack couldn't walk when he was one.

- Label the cerebellum on the picture of the brain.
- Tick \(\stack \) the activities that need balance. Then find and circle them.

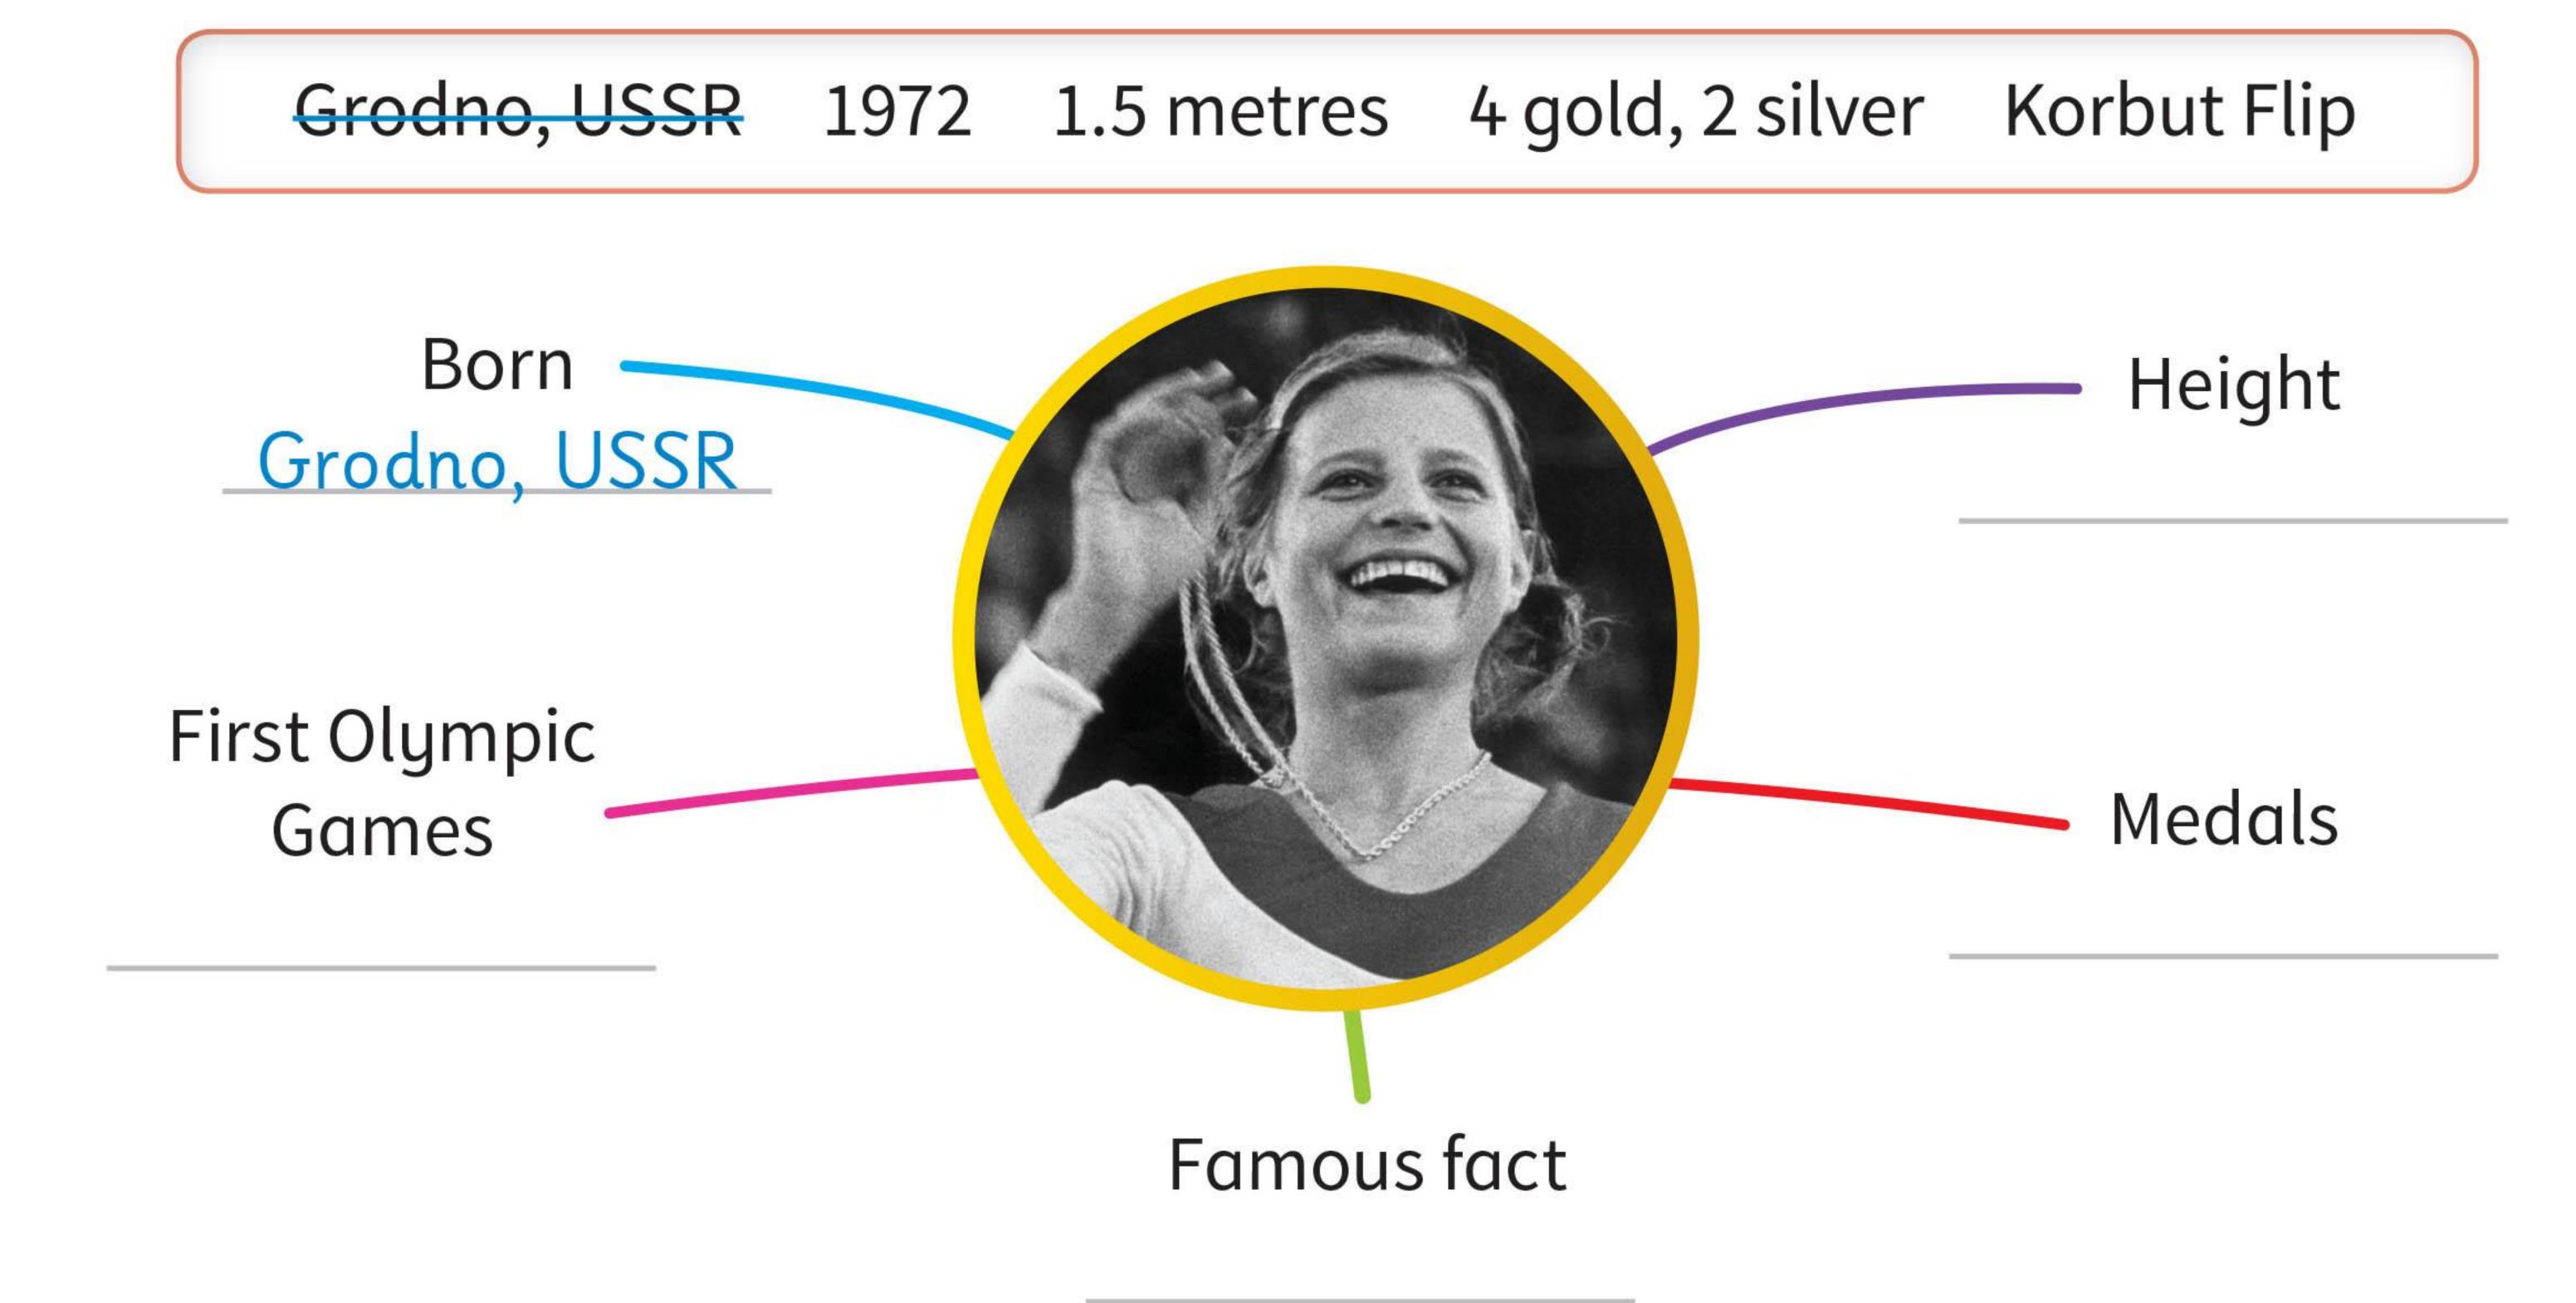

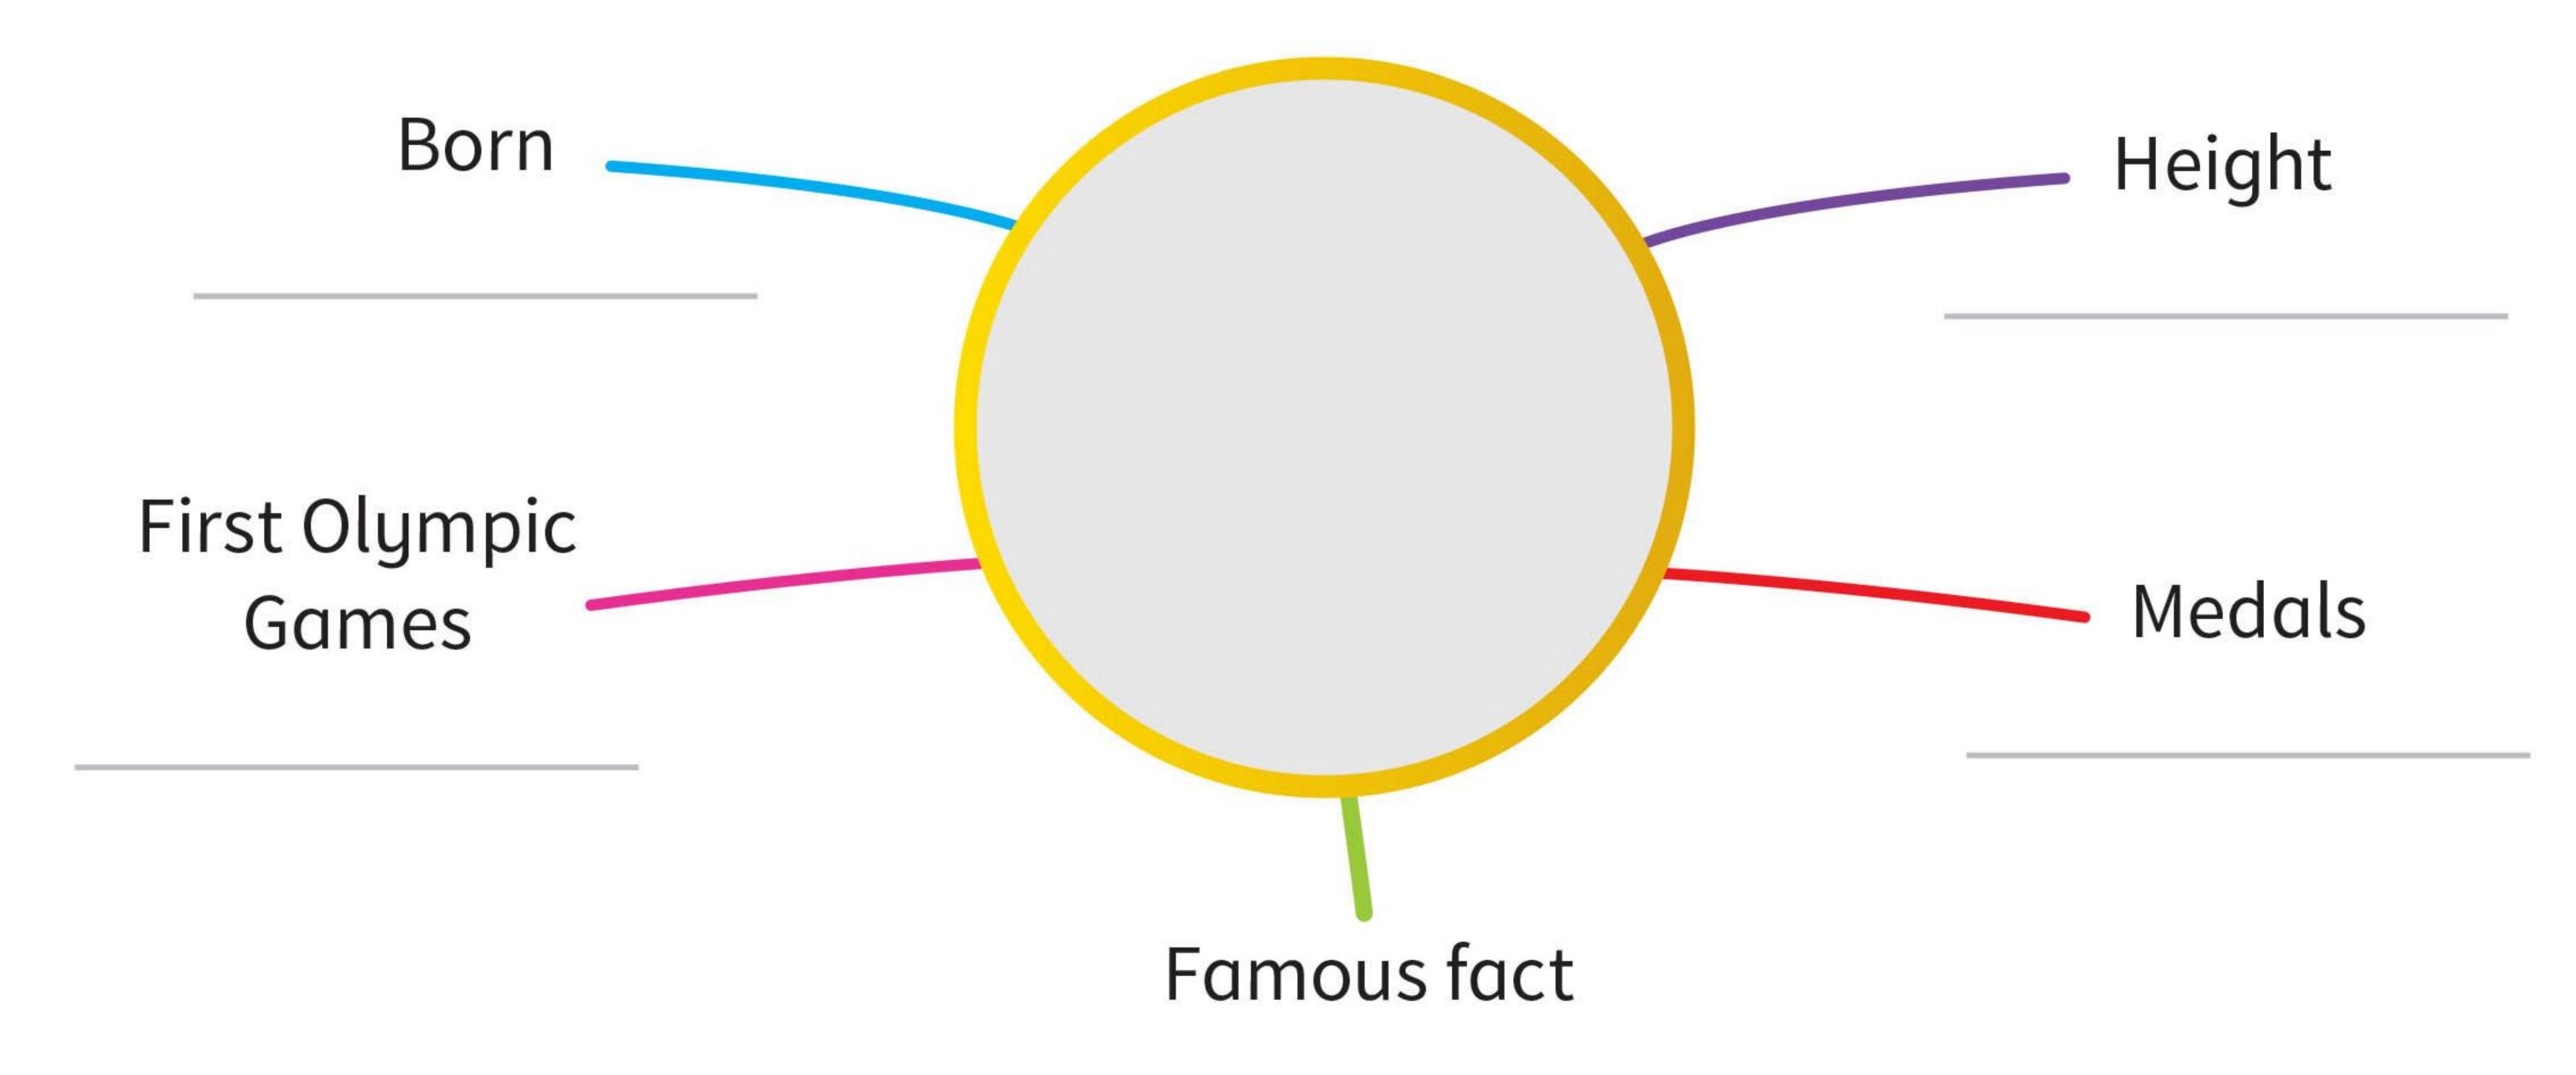

Think of three more activities that need a good sense of balance.

Complete the mind map about Olga Korbut.

Think about an Olympic athlete from your country. Stick or draw a picture of your athlete. Complete the mind map.

Write about your Olympic athlete in Activity 5. Use the mind map to help you.
