1

I'm in Year 7. It's my last year at Sanford Primary School. My class isn't very big. There are ten girls and eight boys in my class. Our teacher's name is Mr Gilpin. He's great.

2

School starts at nine o'clock and I get up at quarter past eight. I'm lucky. Sanford is a small village and I live near the school. I have lunch at school, but I take a packed lunch. We finish school at half past three.

3

I like Wednesdays. We've got Science, History and Maths in the morning. Then we've got PE all afternoon. I love PE, so it's great.

4

When I get home, I watch TV for an hour. Then I play football or I go to the park with my friends. I do my homework, too, of course. My bedtime is at nine o'clock.

15   Read again and talk about Oliver.

Oliver goes to school in Scotland.

He's in Year 7.
