The background of the cover is a photograph of a person in a grey hoodie and dark pants performing a handstand on a cobblestone street. The person is upside down, with their legs spread wide and arms supporting their weight on the letters. A cloud of dust or chalk is kicked up around their feet. The letters 'AMERICAN THINK' are large, 3D, and colorful. 'AMERICAN' is in white with gold outlines. 'THINK' is in various colors: 'T' is white with green outline, 'H' is blue with white outline, 'I' is purple with white outline, 'N' is light blue with white outline, and 'K' is pink with white outline. The street is paved with cobblestones, and in the background, there are several tall, multi-story buildings with many windows, typical of a European city like Amsterdam. The overall lighting is warm, suggesting a sunset or sunrise.
