Home News Blog Lifestyle

**My Friends and Their Hobbies**

Hi there, Pablo here! Today my blog is about two of my friends and their hobbies.

**Carla** lives in an apartment in our building. We go to the same school, but we aren't in the same class. Carla loves riding her bike, so she usually cycles to school. I don't cycle when the weather's bad, but I like cycling with her in the summer. Carla also plays hockey and does gymnastics – she's very sporty!

**Nico** is my best friend – he's Italian. He speaks Italian at home with his family, but he doesn't speak Italian with me. He plays volleyball on our school team on Wednesday afternoons and Saturday mornings. On Sundays, we often do his favorite free-time activity: making pizza! His dad's a chef in a pizzeria, so Nico knows a lot about pizza – and I like eating pizza a lot!

4 ★★ Read the blog again. Circle the correct options.

1 Carla and Pablo go / don't go to the same school.  
 2 Pablo cycles / doesn't cycle to school every day.  
 3 Carla's very good / bad at sports.  
 4 Pablo's best friend speaks / doesn't speak Italian.  
 5 Pablo likes making / eating pizza.

### Explore It!

Guess the correct answer.

Marathon runners often lose height when they run a race. On average, a marathon runner is 1 cm / 5 cm / 10 cm shorter at the end of a race.

Find another interesting fact about running. Write a question and send it to a classmate in an email, or ask them it in the next class.
