How to Use This Book

Each unit in the *Reading Jump* series includes seven parts. These parts work together to first get students thinking about the unit's topic, lead students through a reading passage, consolidate students' comprehension of the reading passage, and then have students consider their own experiences and opinions related to the topic. A summary of each section is below.

Warm-Up

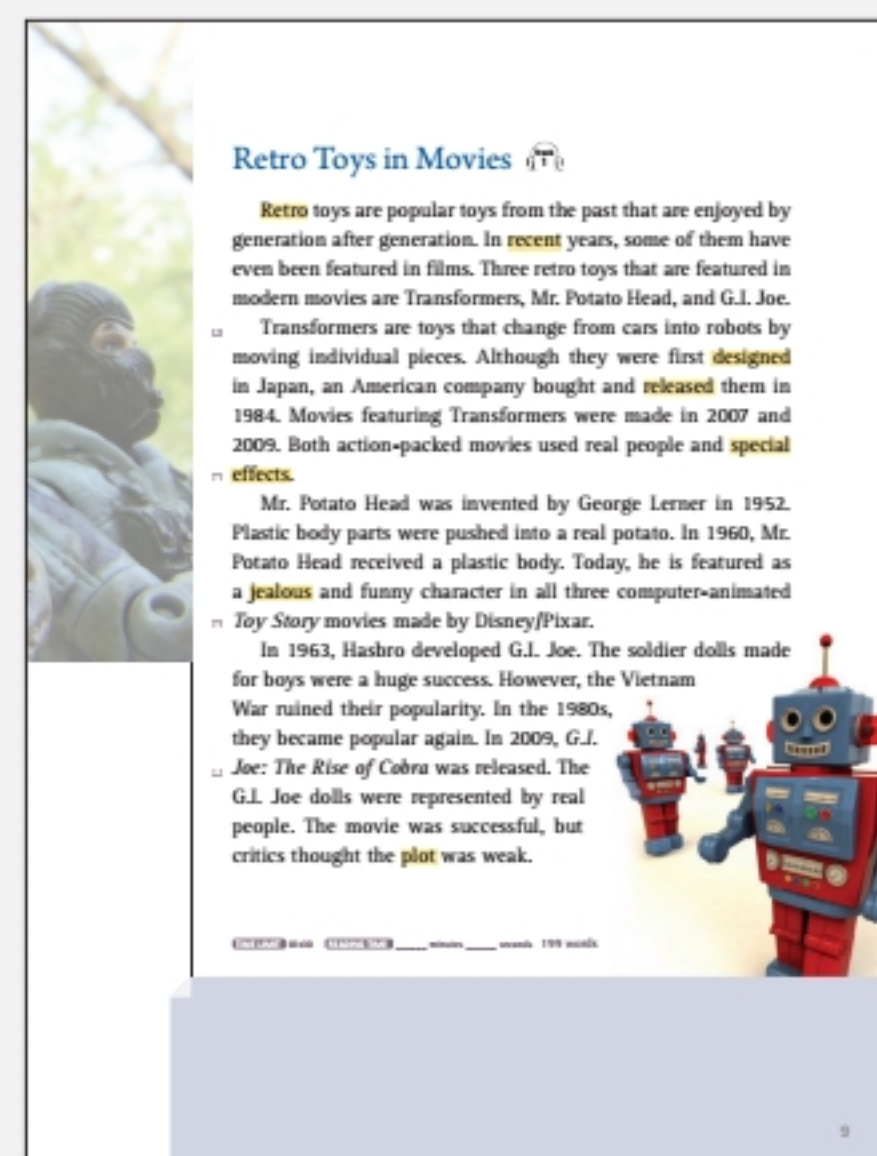

Each Warm-Up activity includes two questions aimed at stimulating students' interest about the topic. Sample responses to each Warm-Up question are provided in the answer key.

Vocabulary Preview

This section lists key vocabulary found within the passage. They are level-appropriate and limited, so students encounter mostly known words in each reading passage.

Reading Passage

The Reading Passages in each unit of *Reading Jump* have been structured to present information in a familiar organizational pattern. Suggested time limits have been provided at the end of each passage to help students develop their reading speed. Additionally, audio recordings of the passages are available.

Comprehension Check

The Comprehension Check section includes five multiple choice questions. Each question focuses on specific details of the passage to solidify understanding. Answers are provided in the answer key.

Summary

This section allows students to revisit the passage in an abbreviated format. The intention of this activity is to further check for comprehension and understanding as students fill in missing information from the passage to complete the Summary paragraph. Answers are provided for each Summary in the answer key.

Writing

The questions in each Writing section focus on details of the passage. Students are able to answer each question in their own words while building their writing skills. Sample responses for each Writing question are provided in the answer key.
