INTRODUCTION

Little Lord Fauntleroy was written in 1885 by Frances Hodgson Burnett. She was an Englishwoman who went to live in the United States. She was famous for writing children's stories. At first, this story was written for a magazine. Parts of the story were in the magazine each month. Then the whole story was made into a book in 1886. Two other popular children's stories by Burnett are *The Secret Garden* and *A Little Princess*.
