Goals of **LITTLE EFL PHONICS 2**

- Children recognize the letters "Oo~Zz" by the sounds "/o/~/z/."
- Children learn words that begin with the sounds "/o/~/z/" except for the sound /ks/. They can articulate the words and write the beginning letters in both uppercase and lowercase.
- Children learn words that end with the sound /ks/. They can articulate the words and write the ending letters in both uppercase and lowercase.

Note to Teachers

Memorizing the spelling of words is not the objective of this book. Fulfilling the goals stated above will be sufficient at this stage. In fact, the reason for learning phonics is to be able to read and write words eventually without memorizing the spelling.
