Reading Our weather

A Skim the text. Where are these people from? Tell a partner.

I live in Vermont, a small state in the US. In the winter, it snows a lot here, and it's very cold. The high temperature is usually around -10 degrees! A lot of people like to go snowboarding during the winter. I can't snowboard very well, but a lot of my friends can. I want to practice more. Maybe I need to take some lessons!

Rachel

Miguel

I live in Peru, and the weather here is often warm and sunny. I live near the beach, so I like to go surfing on the weekends. Windy days aren't very good for surfing. But if it isn't very windy, I'm usually on my surfboard. I started surfing when I was five years old. I really like it a lot.

I live in Iceland. A lot of people think it snows all the time here. But it doesn't. It never gets hot in the summer here, but the winter isn't too bad. I can go hiking around my country any time of the year. The weather is usually a little cold, and it's always windy. A lot of people visit Iceland to go hiking. It's a beautiful place.
