Our weather

Sophia

I live in Brazil. It's mostly warm and sunny here. I like to spend my weekends at the beach with my friends. We play beach volleyball and swim in the ocean. It's always fun when the weather is good. But when it's rainy or windy, I stay inside. I watch volleyball games on TV or read a book. Whether it's sunny or rainy, there's always something to do.

Raj

I live in India. Many people think it's hot everywhere, but the weather is very different around the country. In my area, it's usually hot and sunny. I love to ride my bike with my friends. We go early in the morning before it gets too warm. During the monsoon season, it rains a lot and cools things down. After the rain, we enjoy biking even more.

Ingrid

I live in Norway. The winters are long and snowy here. It gets really cold, and sometimes the temperature doesn't go above -5 degrees! I love to go skiing when there's fresh snow. I'm very good at skiing. I started skiing when I was six years old. But if the weather is too snowy or windy, I usually stay inside and play games with my family.
