Club activities

I'm not in any clubs this year. **1** We met every Tuesday after school and practiced singing. We had three performances last year. **2** We made beautiful music with the band, and we all enjoyed it. My favorite part was singing in front of the audience.

I love science, so I joined the chemistry club at school. **3** At the end of each year, we have a science fair for the whole school. **4** I really like being in the chemistry club and doing different experiments. Some of them are so cool!

I'm in the environmental club at school. **5** For example, last month we raised money to buy recycling bins for the school. **6** We also write letters to ask companies to do things that are better for the environment. I love the club because it's making the world a better place.

- A We do lots of things that help Earth.
- B We learn interesting facts about science and do fun experiments.
- C We always learn new songs for the choir.
- D One of them was with the school band.
- E Now all the teachers and students recycle!
- F I often visit my friends in the science club.
- G We present our experiments to students, teachers, and parents.
- H But last year I was in the school choir.
