1 Family and culture

In this unit you will learn:

- what it means to be part of a family and home
- what happens in school
- why we all have friends
- that people live in different places and have different cultures
- to make a fact file about yourself.

What do you like best about your family and friends?

values
family **culture**
independent
personality **symbol**
talent

1.1 My family

In these lessons you will learn:

- what makes a family
- what it is like to be part of a family.

Families

Some children live in a **family** with only their parents and their brothers and sisters.

Other children live in a family with other family members such as grandparents, uncles, aunts and cousins.

Who are the people you live with?

What our family gives us

Our family is where we belong.

In our family we feel safe and loved.

In a family we learn how to live together.

Activities

- 1 Copy and complete these sentences choosing the correct word from the box.

My mother's father is my _____

My aunt is my father's _____

My uncle's son is my _____

sister

cousin

grandfather

- 2 Write a few words about how you feel when you are with your family.
