Dear Katy,

Hello from Panama City! Or ¡Buenos días!

Living here with my family is so different from living in my hometown in France. I think this city is amazing, but it's so big that sometimes I feel a bit lost. Everyone speaks French at my new school, but we're also learning Spanish. Here, I go to school on Saturday mornings, too.

It's Sunday today, so usually my family and I have lunch in a restaurant. But today, because it's hot, we're sitting on the beach, so I'm smiling!

Please write very soon!

Best wishes to your family in England,

Love,
Chantal

Hey Kevin,

How are things back in Chicago? I really miss you guys! I think Norway is very interesting, but it's so different from home. It's very green here, not like Chicago! It's summer here now – so it's nice, but not too hot. I'm going cycling today with my family. I love my new bike. We've all got electric bikes. We need them because of all the hills here! We're taking the bikes and going to the mountains with a picnic.

I can send you photos!

Write back soon,
Dwayne
