MY EXCHANGE

Hi! Well here I am in London for one month! It's awesome! I got here last Sunday. I was a bit nervous at first because this city is bigger and faster than Madrid. But I'm having a great time and I've already visited a lot of places.

The family I'm staying with are really nice. They've got a daughter my age called Cathy and we get on really well. That's a good thing because their house is quite small and we share a room! She's got a little brother called Billy, and he's terrible!

I'm in Class 10 with Cathy and all the students except me wear a uniform! I go to all the lessons and even do homework! We have lunch at the school canteen – not so good ☹. Then after school we hang out with Cathy's friends.

I speak English all the time, so by the end of the school exchange, I hope to speak really well. It's definitely the best way to learn English. Cathy studies Spanish at school, so she's planning to come to Spain next year.
