# How to use this book

## Introduction

*Team Together* Vocabulary Boosters are designed to be a fun and engaging way of consolidating and extending vocabulary from the *Team Together* series. Each Vocabulary Booster includes 10 units, based around a different topic relevant to children and their lives. The books also offer support for children preparing for the Cambridge English Qualifications for young learners.

## Vocabulary presentation

In the first part of each unit, key vocabulary is introduced in the context of a large, colourful scene, which will engage children and spark their curiosity. Children are encouraged to explore the scene through a series of short activities and accompanying audio.

**4 A camping trip**

Labels for key vocabulary:

Audio and exercises present the language in context.

- 1 Listen and point. Repeat the words.
- 2 Listen and chant. Then listen again and circle.
- 3 Find the animals in the wood.
  - 1 a big, brown rabbit.
  - 2 a small, black bat.
  - 3 a blue and yellow bird.
  - 4 a long green snake.
  - 5 a big, yellow frog.
  - 6 a small, red spider.
- 4 Close your books. Remember what food you can see in the picture.

**Fun fact**  
There are some people in the world who still live in tents called 'yurts'. Can you find out who they are?

Where's Frank?

Fun facts boxes give children additional information about the topic. Remember! boxes give tips on language, e.g. irregular English spelling patterns.

Additional questions encourage children to explore the scene further.

Children find Frank hiding in each scene.

# Vocabulary practice

In the second part of each unit, there are two pages of activities which provide further consolidation and practice of the vocabulary through a variety of fun activities.
