Hi all! I'm Amy from class 5A and a reporter for the school magazine. The news is that, next week, two students from different countries come to visit us and stay for a month. They study in sustainable schools and they are Planet Warriors, too. They want to learn about the green actions we take at school and the idea is to share the things we all do to save the environment. Read about our visitors and leave comments to give them a warm welcome!

This is Grace Anderson. She is ¹**seven / eleven** and she is from Glasgow, Scotland. She has got one ²**brother / sister** and he is a Planet Warrior, too! She ³**has got / hasn't got** any pets but she loves animals. Grace is very curious about nature and she can ⁴**draw / paint** plants and animals excellently. Her favourite school subjects are Science and ⁵**Art / Maths**.

This is Thomas Clement. His is ⁶**twelve / thirteen** and he is from Vancouver, Canada. He has got one brother and ⁷**two / three** sisters. And he has got a cat and a ⁸**dog / hamster**, too. Thomas can play a lot of ⁹**instruments / sports** very well. His favourite subject is ¹⁰**Music / PE**.
