>>> Hi! I'm Olivia. I'm twelve years old. I live in London. I've got two brothers. Santiago is sixteen and Mateo is fourteen. We're British but my parents are Mexican. My mother is a software engineer and she works at home. My father is a biologist and he works in a lab. We live in a comfortable house in an eco-neighbourhood. There is a community garden and a big park near our home, and there are lots of paths to ride my bike. That's great fun for me! I'm with my cousin Sophia in my garden now. She lives in Argentina but she's spending her holiday in England. She's eleven years old. She's got straight dark hair and brown eyes. She wears glasses. Sophia is very sociable and I can't wait to introduce her to my friends. She loves nature and she wants to learn about all the eco-friendly places here and adopt new

green actions. Remember to subscribe to my channel to see my daily life with my cousin in my favourite place, my eco-neighbourhood! What about you? Where do you live? Do you often visit your relatives? What do you do together?
