Contents

The Dog and His Bone 9

Lesson: *Don't try to get everything.*

The Wolf and the Bird 15

Lesson: *Sometimes, not getting hurt is enough.*

The Hens and the Eagle 21

Lesson: *There might be something worse waiting nearby.*

The Lion and the Mouse 27

Lesson: *Everyone needs a friend.*

The Cat and the Birds 33

Lesson: *Be smart and don't get fooled.*

The Wolves and the Sheep 39

Lesson: *Don't trade your friends for enemies.*

The Fox and the Goat 45

Lesson: *Think before you do things.*

The Boy and the Nuts 51

Lesson: *Some are better than none.*

The Crow and the Jug 57

Lesson: *Never give up.*

The Sheep and the Dragon 63

Lesson: *Don't be afraid of something just because it's new.*

The Boy and the Lake 69

Lesson: *Help someone when they need it.*

The Porcupine and the Snakes 75

Lesson: *You don't always have to be nice.*

How to Use This Book

Easy First Reading is a three-book series created to teach students how to read. The series uses an engaging step-by-step approach to build the reading skills of English language learners through practice of phonetic decoding and high-frequency word reading. Each unit features two illustrated passages with useful, carefully graded vocabulary and simple sentence patterns. These books were written and designed to motivate language learners to enjoy English language reading from the very beginning. Students who complete this series will acquire a strong reading foundation.

Warm Up

This activity introduces students to five high-frequency words. First, students familiarize themselves with the words by watching and following along with a video. Next, students see each word in context with an inviting and colorful illustration. Building up high-frequency word recognition helps students become faster, more fluent readers.

Reading

The first reading passage is featured on this page. Here, students listen and read along. Choral reading allows everyone time to practice without feeling singled-out or embarrassed. The accompanying illustration shows a key moment in the story and aids in reading comprehension.

At the bottom of the page, students are provided with a picture dictionary of the six new vocabulary words used in the reading passage.

Comprehension

The first activity checks for comprehension of the reading passage. Reading comprehension is a critical reading skill that students will use in academic and professional settings throughout their lives.

The second activity highlights grammar used within the passage. By learning about and exploring the grammar implicitly, students learn how to use grammar in context from a young age.

Vocabulary

This page provides additional vocabulary practice through two distinct activities. Students also get a chance to practice writing some of the new words.

Extra Reading

The second reading passage of the unit is featured on this page. This passage is shorter and easier than the first passage. This page helps learners gain confidence and fluency in reading. It also reviews five words students should already know from phonics studies.

Check It

This activity checks reading comprehension of the second passage. Reading comprehension aids in the development of critical thinking and problem-solving skills.

Review

On this page, students revisit and consolidate their understanding of the unit vocabulary and concepts through two different review activities that aid in retention and recall.

Workbook

Word Practice

The first page of the workbook provides students with writing practice of the unit vocabulary. It also provides word recognition and reading practice while reviewing parts of the story.

Sentence Practice

The second page of the workbook reviews the vocabulary as well as useful sentence structures. This page helps students begin to understand how sentences are formed.

The Dog and His Bone

Warm Up

Watch and repeat.

get

now

falls

stops

that

1

They **get** toys.

2

We jump **now**.

3

Oh, no! He **falls**!

4

The car **stops**.

5

Look at **that** swan!

Listen and read.

The Dog and His Bone

This dog has a **bone**.
 It is his **snack**.
 He stops at a **pond**.
 He sees **another** dog with a **bone**.
 He **hopes** to get that **bone**, too.
 He **barks**.
 His **bone** falls into the **pond**.
 Now he has no **bone**.

- 
bone
- 
snack
- 
pond
- 
another
- 
hope
- 
bark
